

## **PUBLIC NOTICE**

The Iowa Department of Natural Resources (DNR) is proposing to renew the Title V Operating Permit for PMX Industries, Inc.. This facility is located at 5300 Willow Creek Drive SW, Cedar Rapids, IA 52404. DNR is currently reviewing an application for renewal submitted by PMX Industries, Inc. to operate their existing secondary copper and brass production manufacturing facility.

PMX Industries, Inc. is required to obtain a Title V Operating Permit pursuant to 567 Iowa Administrative Code (IAC) 22.101. This facility has the potential to emit the following air pollutants annually:

PM-2.5 (particulate matter 2.5 microns or less in diameter): 94.27 tons

PM-10 (particulate matter ten microns or less in diameter): 109.99 tons

Particulate Matter: 259.08 tons

Sulfur Dioxide: 2.19 tons

Nitrogen Oxides: 74.74 tons

Volatile Organic Compounds: 229.84 tons

Carbon Monoxide: 33.03 tons

Lead: 0 tons

Hazardous Air Pollutants: 9.51 tons

Based on the information provided in the Title V Operating Permit renewal application, the DNR has made an initial determination that the facility meets all the applicable criteria for the issuance of an operating permit specified in 567 IAC 22.107.

A copy of the Fact Sheet (which describes the facility and summarizes the permit review) and a copy of the draft Title V Operating Permit are available on the DNR's Air Quality Bureau's and the Linn County Public Health Department's Air Quality Division's website's at:

The public comment period for the proposed permit will run from April 13, 2018 through May 12, 2018. The beginning date of this public comment period also serves as the beginning of the U.S. Environmental Protection Agency's (EPA) 45-day review period, provided the EPA does not seek a separate review period. During this time, anyone may submit written comments on the permit. Mail signed comments to Anthony Daugherty at the Linn County Community Services address shown above.

Written requests for a public hearing concerning the permit may also be submitted during the comment period. Any hearing request must state the person's interest in the subject matter, and the nature of the issues proposed to be raised at the hearing. DNR will hold a public hearing upon finding, on the basis of requests, a significant degree of relevant public interest in a draft permit. Mail hearing requests to Anthony Daugherty at the Linn County Community Services address shown above.

DNR and Linn County will keep a record of the issues raised during the public participation process, and will prepare written responses to all comments received. The comments and responses will be compiled into a responsiveness summary document. After the close of the public comment period, DNR will make a final decision on the renewal application. The responsiveness summary and the final permit will be available to the public upon request.
